BMW Motorsport Collection

## The will to win.

For more than 50 years, BMW has been a key player in the world of motorsport. BMW race drivers have competed for glory in countless race series, many categories, and on all continents. And time and again, they have proven just how successful a combination BMW and motorsport are. The innovative spirit that characterises BMW in Formula 1, sports cars, touring car championships and motorcycle racing is also a key element of the BMW Motorsport Collection. The ideal outfit for all those who love reaching their goals fast.

### Gap Board Patch

The garments are decorated with a fashionably illustrated, carbon-style gap board, just like the one used in Motorsport races.

### Sponsor Patches

All garments feature patches with the Castol logo, the partner of the BMW Motorsport Team.

### Number 1 Appliqué

The BMW Motorsport Team is the reigning 2007 WTCC champion. This is why all the garments in this collection come with an appliqué "1".

### Motorsport Backpack
