2. Pulling box
This has a capacity of 20 kg and is ideal for carrying small items, e.g. a picnic bag or a shopping bag. When open, it is roomy and can be tilted to allow easier loading in the boot. (pg. 4)

3. "18" light alloy wheels Double-spoke 361
These high-quality, 18" light alloy wheels are available in Bicolour Orbit Grey and burnished. Their two-colour finish adds a particularly sporty touch to the vehicle. (pg. 4)

4. Luggage compartment mat
This non-slip, water-resistant and durable fitted mat with raised edging protects the boot from dirt and moisture. It also has pockets, left and right, for storing smaller items. Available in black, black/red and black/beige (pic 4).

5. Loading sill mat
This robust loading sill mat protects the load sill from scratches and dirt when loading and unloading the car. It is attached using sliding velcro closures and the lashing eyes in the luggage compartment. Can also function as an anti-slip mat.

6. 4 x 1.1m roof carrier system
These contemporary boxes fit all BMW rail carrier systems and feature a two-side opening function with triple central locking on each side. In three sizes – 320, 350 and 460 litres (pic 3) – and two elegant colour combinations.

6. Roof boxes
BMW roof boxes
BMW base support system
These contemporary boxes fit all BMW rail carrier systems and feature a two-side opening function with triple central locking on each side. In three sizes – 320, 350 and 460 litres (pic 3) – and two elegant colour combinations.

6. Travel & Comfort system – base support

The high quality 19” light alloy wheels are available in Bicolour Ferric Grey and burnished and impress with their captivating sporty look.

7. Travel & Comfort system – folding table

The Travel & Comfort system folding table features an attractive BMW design and is easily mounted to the base support (required) via modular plug-in connectors. The folding table can be adjusted for height and angle and has an integrated cupholder with a chrome ring.

8. Travel & Comfort system – Apple iPad® holder

The Apple iPad® holder, part of the Travel & Comfort system, docks easily and securely into the separately available base support via plug-in connectors. It can also be adjusted to perfectly suit any rear passenger thanks to its freely rotating frame. The holder additionally features an integrated support for free-standing use outside the vehicle with full operating convenience.

9. Snap-in adapter

A secure docking and charging system for mobiles from Apple, Samsung, Nokia, Motorola and other manufacturers. To ensure optimal network connection, the adapter uses the vehicle’s exterior aerial. The Snap-in adapter is available in Basic, Music, Media, Connect and Connect Universal (pic 8) versions to suit the vehicle and its equipment. These allow audio stored on a mobile to be played through the vehicle’s speakers. The adapter also enables convenient operation via the iDrive Controller, multifunction steering wheel or radio.

For detailed information about the full range of components for the interior of your BMW, visit bmw.com.au/accessories.

10. Storage bag, rear

Mounted on the front headrests, this provides fixed support for the clothes hanger, the folding table, the universal hook or the Apple iPad™ holder.

11. Textile floor mats

Available in black, black/red or black/beige (pic 11), this bag can be attached using the middle seat belt and also functions as a rear armrest. With two cupholders and several inside and outside pockets, it offers plenty of storage and can be carried in comfort thanks to its integrated shoulder strap.

12. Textile floor mats

These precisely-fitting, hard-wearing mats, with their raised edging and attractive design, do not just protect the front footwells from moisture and dirt, they also prevent feet from getting wet.

13. Sunblind, rear

The sunblind is very easy to mount, can be used when the window is open and provides tailor-made protection from direct sunlight.
